

Academy of Little Vikings Sunscreen and Bug Repellent Authorization to Administer

DCF 251.07(6)(f)

(f) Medications

2.
 - a. Sunscreen and insect repellent may only be applied upon the written authorization of the parent. The authorization shall include the brand and ingredient strength of the sunscreen or insect repellent. If parents provide the sunscreen or insect repellent, the sunscreen or repellent shall be labeled with the child's name. Authorizations shall be reviewed periodically and updated as necessary. The recording of the application of sunscreen or insect repellent is not required.
 - b. Children shall be protected from sunburn with protective clothing, if not protected by sunscreen.
3. Medications shall be stored so that they are not accessible to children.
4. Medications requiring refrigeration shall be kept in the refrigerator in a separate, covered container clearly labeled "medications."
5. No medication intended for use by a child in the care of the center may be kept at the center without a current medication administration authorization from the parent.
6. Medication for a child in care shall be administered by the center as directed on the label and as authorized by the parent.
